I saw all the email traffic on this. I am deleting it all. I sent costs to some chick in the front office about a week or two ago. Don't know what everyone is waiting for. Until I receive CLEAR direction, I will continue to ignore this.

Just want to close the loop. Please send me what you put together first. I will pass it on up the chain.

Thanks.

All- please see the request below. I know a number was provided on the budget paper sheet but wanted to double check that's the most accurate and up to date before I respond. Thanks!

Don't need this week. Can you plan for something by end of next week.  
 Thanks.

We provided this chart to Hill staff in March, prior to completion of the investigation at Dimock. House Energy and Commerce staff have requested a final updated chart of total costs.
